

All Hallows Lottery

*****WELCOME TO THE ALL HALLOWS LOTTERY***
LAUNCHED JANUARY 2019!**

A fantastic way to support the school, with the added bonus that you could win money for yourself! Here's how it works...

Complete and sign a Standing Order Instruction (email finance@allhallows.net to request a copy) and return to the School Finance Office. Each entry is £1, there is no limit to how many entries you sign up for each month. Every £1 buys one ticket into the monthly draw.

Winners will be contacted and informed following the monthly draw, and cash prizes will be transferred directly to the bank account that pays the standing order.

Winners will also be announced on the All Hallows website and through All Hallows social media.

Participants must be aged 16 or over. It is your responsibility to advise your bank directly should you wish to amend or cancel your standing order.

FEBRUARY 2020 PRIZES

1st PRIZE – £99.00 to Mr Mark Alford, Farnham (60% of the prize pot)

2nd PRIZE – £49.50 to Miss Claire Sheriff, Twickenham (30% of the prize pot)

3rd PRIZE – £16.50 to 'Anonymous', Aldershot (10% of the prize pot)

The monthly prize pot will be half of the lottery proceeds, and the remainder will go directly to help the school fund improvement projects, resources, and opportunities for our students.

The first project we will be working on will be the installation of more outside seating for our students. After such a beautiful summer we need to be better prepared to enable our students to enjoy sitting outside when the sun is shining down. In the future we would like to look at putting in overhead canopies to protect from the elements, making our outside spaces enjoyable throughout the year.

Please contact the School Finance Office at finance@allhallows.net if you have any queries.
