

# Strategy 2020-2025

## THIS YEARS GOALS

### VISION

Our vision at All Hallows is to form happy, successful students who reach their full potential and leave the school with integrity and moral purpose.

We want a whole school experience that everyone would wish for their own children. We put our students at the heart of everything we do, guided by the truth and love of Christ.

## Family

**Everybody benefits from and contributes to the All Hallows Family, where all of our actions & relationships are underpinned by Gospel values.**

- Help our students find their place in an ever-changing world.
- Ensure the safety and well-being of all Family members, at all times.
- Strengthen links with the local and wider community.
- Promote a House System that provides friendly competition and an enhanced sense of belonging.

## Achievement

**Irrespective of their starting point or background, all members of our Family make exceptional progress and achieve their God-given potential.**

- Ensure that progress for all groups of students is outstanding.
- Improve strategic planning of SEND provision.
- Identify and develop opportunities for student leadership.
- Invest in professional development, for all staff to deliver excellence.
- Promote the rewards system, that celebrates all family members successes.

## Curriculum

**Students experience an innovative spiritual and academic curriculum, that provides a wide range of learning opportunities for all.**

- Deliver an outstanding curriculum for all.
- Core Values are embedded across all aspects of school life.
- Implement a reading programme across the whole school.
- Create an RSE curriculum that is relevant for the needs of our Catholic students.
- Renew an enriching PSHE programme that meets the needs of all students.

## Environment

**Learning spaces that inspire excellence, are environmentally sustainable and celebrate our Catholic faith.**

- Establish the Chapel as the spiritual heart of the school.
- Plan a library, study and English block.
- Utilise digital technology to improve learning and increase parental support.
- Review and renew the Sixth Form College for the students.
- Create an environmentally sustainable school.
